What is SOIL GUARD 2000®

SOIL GUARD 2000® is a revolutionary technology of proprietary cleaning chemistry that, when combined with Dupont Zonyl® Soil and Stain Protector and Dupont Zelan® dye site blocker, delivers a carpet cleaning product that not only cleans and revitalizes the carpet fibers, but also simultaneously adds protection from spills, stains and soil buildup.

Carpet fibers are enveloped by special cleaning agents that effectively remove just about every soil imaginable, leaving the fiber in a perfect state to accept the Dupont Zonyl® Soil and Stain Protector and Dupont Zelan® dye blocker, which bind to the fiber for lasting protection from spills, stains and soil build-up. The cleaning system is formulated so that it does not leave soil-attracting residues behind.

Renown™ Total Carpet Care involves the combination of custom manufactured products to maximize productivity and value.
