REN08018	20"	105 Amp Batteries	1/ea

Floor Machines & Burnishers

REN08002

REN08006

Renown™ Low Speed Floor Machine (REN08002)

- Machine base is powder coat steel deck
- Switch housings and levers are manufactured from cast aluminum
- Low profile design increases visibility and allows for ease of use around furniture and tight applications
- Compression handle lock makes operator adjustments simple
- Gear box constructed of all steel and utilizes triple-planetary gears
- The motor is a heavy-duty 66-frame and is rated at 1.5 HP
- Non-marking gray rubber wheels – will not mark floors
- 50' 14 gauge 3-wire grounded power cable

Renown™ Burnisher (REN08006)

- 1500 RPM actual pad speed
- 1.5 DC Rectified, provides low amp draw with proper torque for maximum power
- Machine base, switch housing and switch levers are power coated steel
- Balanced flexible pad holder with pad centering and lock device
- Non-marking gray rubber wheels – will not mark floors
- 75' 14 gauge 3-wire grounded power cable

Product Number	Size	Description	Pack
