

# SUPER HOG'S HAIR PAD

**Features:**

- Blend of natural and synthetic fibers
- Removes marks and scuffs while polishing
- Use on ultra high speed electric, battery, or propane floor machines

**Description**

This product is a floor burnishing pad for use on ultra high speed floor machines that operate in the 1500-3000 rpm range. The pad is made with a higher content of natural hair fiber along with synthetic fibers. This product is designed for low frequency burnishing programs on harder floor finishes. The pad is nominally one inch thick and available in various sizes.

**Use**

This product is used for burnishing floor finishes on ultra high speed floor machines (1500-3000 rpm). It can be used with cord electric, battery electric, or propane powered machines.
