

REN02108

BROWN UTILITY PAD

Features:

- Designed for heavy-duty stripping such as removing wax from baseboards
- Consistent performance over pad life
- Use on swivel pad holders to clean floor surfaces that can't be reached with standard equipment

Description

This product is a floor stripping pad made of polyester and nylon fibers. Abrasive particles are dispersed throughout and bonded to the non-woven construction. The pads are nominally one inch thick and sized to fit standard swivel pad holders.

Use

This product is used with stripping solutions to remove floor finish and wax from hard floor surfaces and baseboards. The pads are designed for use with the swivel pad holder system to reach floor areas not accessible to standard floor machines.

TECHNICAL INFORMATION	
Fibers:	Nylon/Polyester blend
Sizes:	4-5/8" x 10"
Thickness:	1" nominal
Recycle Content of Packaging:	Packaging consists of 50-100% recycled materials and is 100% recyclable
