

**REN02114**

## MEDIUM DUTY SCOURING PAD

### Features:

- Synthetic scouring pad is excellent for common cleaning jobs
- Performs well on kitchen equipment, walls, railings, desks, stairways, counters and maintenance equipment
- Fiber: The product contains durable synthetic fibers that are crimped and heat set to develop a strong open web
- Mineral: The product contains abrasive particles that are effective in scrubbing operations. These particles are evenly distributed throughout the pad to ensure consistent performance.
- Resin: The product is constructed with resin that resists degradation from exposure to hot water, detergents and normal cleaning liquids

### Description

The Renown® Medium Duty Scour Pad is a general purpose scrubbing pad made from high quality fibers, mineral, and resin. It is long lasting, non-rusting and resilient.

Applications include:

Scouring: Cookware

Cleaning: Kitchen surfaces, cookware and maintenance equipment

Scrubbing: Heavily baked-on food, floors, stairways, desks and counters

### Use

1. Can be used wet or dry to scrub cookware, clean floors, clean kitchen equipment, and for general purpose cleaning. Because of its aggressiveness, it is not recommended for use on polished or easily scratched surfaces.
2. Pads may be rinsed out with water or soaked in a cleaning solution to dissolve caked on soil.
