

REN02118

MEDIUM DUTY SCRUB SPONGE

Features:

- Non-rusting and resilient high quality synthetic fibers provide pad durability and long lasting usage
- Abrasive minerals selected to provide superior scouring for common cleaning jobs
- Abrasive mineral particles are evenly distributed throughout the pad to help ensure effective, consistent, and long lasting performance throughout the life of the pad
- High quality bonding resin system designed to provide resistance to degradation from exposure to hot water, detergents and normal cleaning liquids

Description

The Renown® Medium Duty Scrub Sponge is a dual function cleaning tool combining a more coarse scouring pad with mild abrasives laminated to an absorbing cellulosic sponge. Scouring side can be used for cleaning, scouring, and scrubbing cookware, kitchen utensils and equipment, kitchen surfaces, heavily baked-on food, floors, stairways, walls, railings, desks, counters and maintenance equipment. Sponge side can be used for wiping up spills and messes or carry cleaning solutions to the work surface. Do not use on soft metal and plastic surfaces, painted surfaces, or other surfaces that are easily scratched.

Use

The pad can be used wet or dry.

1. Hold pad with one hand
2. Place either side of the pad against the surface to be cleaned, apply desired pressure and scrub or wipe the area in circular motion
3. Rinse off scrubbed areas with clean water or wipe off with clean sponge
4. Clean pad as necessary after use

TECHNICAL INFORMATION	
Fibers:	Non-woven fibers with abrasive minerals and cellulosic sponge
Sizes:	3.6" x 6.1"
Thickness:	0.70"
Recycle Content of Packaging:	Packaging consists of 50-100% recycled materials and is 100% recyclable
Color:	Scouring Side: Green Sponge Side: Yellow
Packaged:	20/case
