TILE & GROUT REJUVENATOR

Features:

- Non-Fuming
- Stain Remover
- Removes: Rust, hard-water scale, soap scum & grout haze

Description:

Powerful, non-fuming acid REJUVENATOR makes ceramic tile & grout look like new. Removes hard-water scale, soap scum, grout haze and rust.

- Floor must be clean of all loose dirt and debris. Old acrylic floor finish and heavy dirt build up should be removed with conventional stripper, degreaser, or general purpose cleaner.
- Do not use acid product on marble, limestone and travertine surfaces. Do not use on soft metals such as aluminum and galvanized surfaces as irreversible damage may occur. If contact should occur, flush with water immediately.

Directions:

1. Apply diluted REJUVENATOR to the floor with a clean mop. Leave floor wet for five minutes.
2. Agitate cleaning solution using a low speed floor machine equipped with a nylon brush. Solution can also be agitated by hand with a deck brush.
3. Recover dirty solution with a wet dry vac.
4. Rinse floor with clean water using a clean mop and a wet dry vac.
5. Allow floor to dry. (8 to 24 hours).

HEAVY DUTY: 1 part to 1 part water

MEDIUM DUTY: 1 part to 4 parts water

LIGHT DUTY: 1 part to 10 parts water

TECHNICAL INFORMATION:	
Color:	Amber
Odor:	Light
pH:	< 1.0
Viscosity:	Water thin
Foam:	Moderate
Phosphate:	None
Detergency:	Good
Solubility:	Complete with water
Flash Point:	None
Storage/Stability:	2 Years
Weight Per Gallon:	9.13 lbs. per gallon
