

CITRUS CLEANER DEGREASER

Features:

- Highly Concentrated
- Contains HydroSolv 2000 Technology
- Butyl Free

Description:

A highly concentrated general purpose cleaner designed to cut through the toughest soil conditions and leave surfaces sparkling clean with a fresh pleasant citrus odor. An effective buffering agent combined with natural citrus oils maintain effective cleaning power under heavy soil loads. Contains HydroSolv 2000 technology, a fast acting powerful solubilizing agent that dissolves and suspends any soil, allowing it to be wiped or rinsed away completely.

Directions:

FOR LIGHT DUTY CLEANING: Dilute 2 ounces of concentrate per gallon of water.

FOR MOP CLEANING OR MACHINE SCRUBBING OF FLOOR FINISHES OR MEDIUM DUTY CLEANING: Dilute 3 or 4 ounces of concentrate per gallon of water.

FOR HEAVY DUTY INDUSTRIAL CLEANING: Dilute 6 to 8 ounces of concentrate per gallon of water. Apply a liberal amount of solution onto the surface to be cleaned and allow to stand for a few minutes to allow product to penetrate into soil. Brush or scrub surface and pick-up. Rinse thoroughly with clean water.

FOR USE IN AUTOMATIC SCRUBBERS: For daily maintenance of non-industrial floors, dilute 3 to 4 ounces of concentrate (depending on soil conditions) to each gallon of water in the solution tank. For use in heavy industrial applications, dilute 8 to 12 ounces of concentrate (depending on soil conditions) to each gallon of water in the solution tank.

FOR USE IN PRESSURE WASHERS: Adjust spray nozzle to deliver 1 part concentrate to 30-60 parts water depending on soil conditions. Rinse thoroughly with clear water.

These directions are flexible rather than specific. In many cases a more dilute solution can be used, while for extreme conditions a less dilute solution may be used.

TECHNICAL INFORMATION:

Active Ingredients:	11.5 ± 0.5%
Color:	Orange
Odor:	Citrus
pH:	11.5 - 12.0
Viscosity:	Water thin
Foam:	Moderate
Abrasives:	None
Phosphate Content:	None
Solubility:	Complete with water
Emulsification:	Excellent
Detergency:	Excellent
Rinsability:	Complete with water
Flash Point:	None (waterbased)
Biodegradability:	Complete
Storage/Stability:	2 years
Weight per Gallon:	8.47 lbs./gal.
Freeze / Thaw Stability:	Keep from freezing
