READY TO CLEAN SUPER DUTY DEGREASER

Features:

- Ready to use
- MicroEmulsion 3G technology
- Pleasant fragrance

Description:

Formulated using MicroEmulsion 3G Technology. A readily biodegradable, ready to use super duty “green chemistry” based cleaner-degreaser that dissolves oil and protein based soils better than conventional butyl-based products. Recommended for use on all food processing equipment and food service areas. May also be used on walls, desks, tables and other hard surfaces. Non-flammable, and contains no solvents. Addresses the environmental, safety and health concerns facing today’s household.

Directions:

FOR GENERAL CLEANING:

1. Simply spray onto soiled surface.
2. Wipe off with a clean absorbent cloth, towel, micro fiber or damp sponge.

FOR FOOD PROCESSING AREAS and EQUIPMENT:

1. Simply spray onto soiled surface and allow to stand a few moments. Surfaces that come in direct contact with food products require a potable water rinse; otherwise rinsing is not usually necessary.

FOR HEAVY DUTY DEGREASING and INDUSTRIAL CLEANING:

1. Simply spray onto soiled surface and allow to stand at least 5 minutes.
2. Scrub or brush thoroughly and rinse with clean water.

TECHNICAL INFORMATION:	
Color:	Purple
Odor:	Pleasant
pH: (Conc.)	10.5 - 11.5
Recommended Dilution:	RTU
Viscosity:	Water thin
Foam:	Moderate
Rinsability:	Complete with water
Solvents:	None
Abrasives:	None
Flash Point:	None
Biodegradability:	Complete
Storage/Stability:	1 year
Weight per Gallon:	8.36 lbs/gal.
Freeze/Thaw Stability:	Keep from freezing
