**Description:**

Charge Heavy Duty Toilet Bowl Cleaner is a 9.25% HCl toilet bowl disinfectant cleaner with a thickened formula that clings to vertical surfaces and effectively removes build-up of rust, lime and uric acid deposits.

**Directions:**

**TO CLEAN AND DISINFECT TOILET BOWLS**

Remove water from bowl by forcing over trap with applicator. Remove excess water from applicator by pressing it against side of bowl. Pour 1 oz. of product onto applicator. Scrub entire unit especially under the rim at water outlets. Wait one minute, then flush.

**TO CLEAN AND DISINFECT URINALS**

Apply product directly to urinal surfaces including water outlet areas. Pour 1 oz of product on applicator. Clean entire unit especially under the rim at water outlets. Remove screen trap to deodorize drain and apply 1 ounce directly on edge and into drain. Wait one minute, flush and rinse applicator.
