## Floor Finish

**REN02935**  
(297218)

**REN02936**  
(297219)

**Features:**

- Exceptional clarity, high gloss and excellent durability
- Responds to 175 through 2000 equipment
- High-Performance Finish for infrequent maintenance
- A sealer and finish — easy on, easy off

**Description:**

20% solids high gloss floor finish. A multi-surface, multi-maintenance floor finish/sealer that makes any floor care program simpler. Versatile product that works on nearly all types of floors including Asphalt Tile, Marble, Stone, Terrazzo, Tile, Vinyl and Concrete.

**Directions:**

**PREPARATION:** Blockade areas to be stripped or finished. Floors will be very slippery until dry. Before the first application of Above Floor Finish, remove all old finish with recommended stripper.

**COATING:** Apply 2–4 medium coats of Above Floor Finish with a clean finish mop. Let dry to the touch between coats (about 30 minutes). Apply additional coats if a higher gloss is desired.

**MAINTENANCE:** Dust mop or sweep, clean floor with Renown cleaner following label directions. To enhance gloss, spray buff using recommended Renown spray maintainer or with red pad and 175–1500 rpm equipment. Dry buff using a white pad and 1000–1500 rpm equipment. UHS burnish with a medium to aggressive pad and 2000+ rpm equipment.

**RECOAT:** Dust mop or sweep floor. Scrub floor with an autoscrubber or floor machine using a blue pad and the recommended cleaner at the recommended dilution. Rinse well and let dry. Apply 1–2 new coats of Above Floor Finish.

Technical Information	
Solids Content:	20%
Color/Odor:	Opaque White/Ammonia
pH:	8.8
Dilution:	RTU
Dry/Recoat Time:	30 Minutes
Slip Resistance:	0.5 minimum (ASTM D2047)
Coverage:	2000-2500 sq ft per gal.
Leveling:	Excellent
Buffability:	Dry burnish / spray buff
Removability:	Conventional Stripper
Detergent Resistance	Excellent
Heel Mark Resistance	Excellent
VOC Content:	0%
Flash Point:	> 200° F (> 93.4° C)
Solubility:	Completely Soluble
Shelf Life:	2 Years
Freeze/Thaw Stability:	Keep from freezing
Weight per Gallon:	8.59 lbs/gal 1.03 Kg/L
