# NON-AEROSOL SPRAY DEODORIZER

**Description:**

A ready-to-use deodorant intended to be used to deodorize fabrics and upholstery. As soon as it is applied, odors vanish and a fresh, clean smell lingers.

**Feature/Benefits:**

Safe to use on most fabrics – it will not spot or stain. Can be effectively used to remove odors from drapes, furniture, rugs and carpets, automobile interiors, etc. This product is also formulated to be used as a space deodorant spray.

**Specifications:**

Unit size: 32 oz.

Packaging: 12 bottles per box
