

# ENZYME ODOR ELIMINATOR

**Description:**

Digests organic waste and destroys odors associated with the decay of organic matter. It is highly effective in eliminating the organic salts associated with urine which cause odors. Special bred enzyme/bacteria cultures attack and break down uric acid molecules by digesting the source, just the way nature does it—but does it in minutes rather than days or weeks with zero environmental impact. Also contains a kills-all-odors deodorant which neutralizes odors on contact.

**Feature/Benefits:**

Consists of a synergistic blend of highly specialized Bacillus microorganisms. It is designed specifically to improve the bioenzymatic liquefaction and digestion of organic waste. Promotes the rapid breakdown of organic matter in applications where accelerated enzymatic reactions are desired.

The following four strains of the Bacillus microorganisms are present:

1. Bacillus licheniformis – good lipase production for grease digestion, cellulose production for cellulose degradation and amylase production for starch degradation.
2. Bacillus amyloliquefaciens – superior protease production for protein digestion.
3. Bacillus pasteurii – superior lipase production for grease digestion.
4. Bacillus laevolacticus – extremely fast germination, superior lipase production for grease digestion.

**Specifications:**

A white colored liquid with a pleasant smelling deodorant added to enhance deodorization. Guaranteed to contain a minimum of 17 million bacterial spores/ml (which translates to 64 billion/gal). These bacterial spores, once germinated, produce different enzymes that aid in the degradation of organic waste.

TECHNICAL INFORMATION	
Color:	White
Odor:	Fragrant
pH:	N/A
Viscosity:	Thin
Foam:	N/A
Emulsification:	N/A
Detergency:	N/A
Biodegradability:	N/A
Solubility:	100% in water
Flash Point:	> 200°F
Storage/Stability:	1 Year
Weight Per Gallon:	8.2 - 8.5 lbs.

ITEM #	USN	DESCRIPTION	FRAGRANCE	CASE QTY
REN03043-BD	880960	Enzyme Odor Eliminator – Gal.	Apple	4
REN03044-BD	880959	Enzyme Odor Eliminator – Qt.	Apple	12
REN03045-BD	880961	Enzyme Odor Eliminator – Qt.	Mint	12
