

# MICROBURST 3000 AEROSOL DISPENSERS

**Features:**

- 3000 sprays per refill
- 30% more fragrance in each spray; 63% less VOC's than standard Aerosol Systems
- Steel pharmaceutical grade valve delivers consistent metered sprays

**Description:**

The Microburst 3000 aerosol dispensing system delivers power, performance and flexibility in half the size of standard aerosol dispensers. The Microburst refills deliver 3 times the odor control fragrance as ordinary refills. The Microburst 3000 system combines great looks with low cost effective performance.

**Directions:**

1. Open Aerosol Dispenser cover
2. Stand to the side of the dispenser to avoid being sprayed in the face; place a Metered Aerosol into the dispenser
3. Close the Aerosol Dispenser Cover
