

# PREMIER AEROSOL DISPENSERS

**Features:**

- Smart chip technology maximizes odor control effectiveness for 30 to 168 days
- Treats up to 6,000 cubic feet
- LCD model features adjustable spray intervals of 7, 14, or 28 minutes; 12/24 hours per day; or 5, 6, 7 days per week
- LED model features adjustable spray intervals from 5 to 25 minutes and service intervals of 30, 45, or 60 days

**Description:**

Air neutralizers with Microtrans blend chemistry and physics to lock onto malodor molecules and transform them into a neutral base, eliminating unavoidable odors in the washroom. Then a modern, fresh hygienic scent is added – the signature of a clean, safe and comfortable washroom.

**Directions:**

1. Position dispenser above eye level, a minimum of 7' from the floor in an area where moving air will disperse the metered aerosol throughout the entire area
2. Open aerosol dispenser cover
3. Insert 2 "D" cell alkaline batteries and switch unit to on position
4. Insert refill and close cover
