

COMFRESH DISPENSERS

Features:

- Precision dosing delivery system; 1 dispenser covers approximately 3-4 stalls/fixtures (6,000 cubic feet)
- Sleek, attractive cabinet design will fit any decor
- Dispenser requires no batteries and operates silently

Description:

Comfresh is the world's first continuous odor control system. Utilizing its patented delivery system, Comfresh delivers a precise dose of pure designer fragrance; preferred by consumers, and odor neutralizers for 60 or 90 days without the use of batteries. Keeps restrooms smelling fresh to enhance overall image.

Directions:

1. Position dispenser in an area where moving air will disperse the fragrance and neutralizer throughout the entire area (normally 3' – 6' from entranceway)
2. Remove pull strip from refill
3. Depress cage into base
4. Open dispenser cover
5. Insert refill and close cover
