

REN03881

LIGHT DUTY FLOOR SCRAPER

Features:

- 48" handle
- 4" 2-sided reversible carbon steel blade

Description

Light-duty 4" scraper comes with a 4-foot, light-weight, ergonomic, aluminum handle. Easily removes gum, stickers, wax build-up, unwanted paint, tape, and caked-on dirt. Scraper head is angled for better performance, control and strength. 2-sided blade for different cleaning tasks. Razor-sharp blade eliminates strenuous scraping on all hard surface floors, including vinyl and resilient tile, flat and smooth surfaces. Blunt blade for delicate, uneven floors and surfaces such as cement or stucco work. Handle has convenient hang-up hole.
