

CADDY BAG

Features:

Renown’s versatile caddy bag streamlines your workflow, increases your efficiency, and reduces time spent making multiple trips to the janitorial supply closet. This caddy contains twelve convenient elastic pockets that allow for onboard storage and immediate access to your most frequently used cleaning supplies and tools. Store and transport can liners, gloves, spray bottles, microfiber cloths, door stops, squeegees, utility knives, and more—always have the right cleaning product on hand when you need it. The adjustable ties enable the caddy to fit securely on most 32, 44, 48, and 55 gallon round or square trash cans. With heavy-duty vinyl fabric and sturdy construction, the Renown caddy is easy to clean and built for years of reliable performance.
