HANDS-FREE ROLL TOWEL DISPENSER

Features:

- Side-hinged door for ease when opening and loading the dispenser
- Ideal for healthcare and food preparation environments
- Stub roll feature provides additional capacity
- Durable plastic construction and design

Description:

These Renown Hands-Free dispensers cut a pre-measured 11-inch towel for maximum usage control. Users touch only their personal towel, thereby reducing the chance for cross-contamination. The Renown dispensers have a unique stub roll feature that allows the fresh roll to self-start only after the stub roll is completely used. ADA compliant when installed according to the Guidelines for Accessible Design. Available in two models to accommodate either 8-inch or 7.5-inch width Renown controlled roll towels.
