

HYBRID FUNCTION ROLL TOWEL DISPENSER

REN05170-WB
REN05171-WB

Features:

- Electronic touch-free and mechanical hands-free operation
- Operates with or without batteries and has an emergency feed bar
- Simple to install and easy to maintain
- Offers a unique washroom appearance

Description:

The Renown Hybrid features electronic touch-free and mechanical hands-free operation. Its easy-access battery compartment holds six D-cell standard alkaline batteries (included) that can be installed directly into the battery holder. High-quality alkaline batteries will last up to sixty 800-foot rolls when properly installed in an ideal application. Available in two models to accommodate either 8-inch or 7.5-inch width Renown controlled roll towels.
