

**REN05600-US**

# GLADIATOR HD MACHINE DETERGENT

This encapsulated product is for use in heavy soil conditions and all water supplies. Uses the Gladiator dispensing system.

**Features:**

- Chlorinated
- Contains metal protectors
- Uniquely designed canister
- Water conditioners
- Heavy duty formula

**Related Benefits:**

- Provides stain removal
- Prolongs dishmachine life
- Safe, simple and convenient to use
- Can be used in all water hardness conditions
- Removes tough/greasy soils

**Important:**

Read and understand the label and Material Safety Data Sheet (MSDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The MSDS is provided with each container shipped. It is also available from the distributor.

**To Use:**

NOTE: DO NOT use in conventional, water filled (reservoir) systems. 1. Remove cap from disposable canister. 2. Place the canister into the dispenser, open end down. Use handle when transporting canister. 3. DO NOT remove canister until completely empty. 4. To remove empty canister, lift it from the dispenser carefully by the handle and turn upright to avoid spills. Dispose of canister immediately. DO NOT reuse empty canister. 5. Place new canister into dispenser. NOTE: Dispenser WILL NOT activate unless canister is in unit.

See label for complete directions and use only as directed.
