

REN05636-US

OXYGEN LAUNDRY DETERGENT

Using a synergistic blend of a surfactant, soil removal agents, oxygen bleach and a specialty blend of optical brighteners, Oxygen Laundry Detergent has been designed to produce whiter whites and brighter colors.

Features:

- Concentrated
- Oxygen based
- Dual performance product
- Eliminates the need for two products

Related Benefits:

- Low use cost
- Safe on all colors and fabrics
- Produces brighter colors and whiter whites
- Economical

Important:

Read and understand the label and Material Safety Data Sheet (MSDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The MSDS is provided with each container shipped. It is also available from the distributor.

To Use:

Consult with your Sanitation Specialist for detailed usage instructions for this automated system product.

Light Soil:	1 - 2 oz./cwt	(30 - 60 mL/45 kg)
