

LAUNDRY SOFTEN IT

REN05643-US
REN05644-US

This product is a liquid cationic fabric softener for all types of laundry operations. It provides fluffy and soft fabric. This product is economical to use because it reduces the pulling and extraction time of loads, eliminates static and reduces sticking.

Features:

- Contains softening agents
- Pleasantly scented
- Optical brighteners

Related Benefits:

- Provides soft, static-free linen
- Leaves linen smelling clean and fresh
- Brightens and whitens linens

Important

Read and understand the label and Material Safety Data Sheet (MSDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The MSDS is provided with each container shipped. It is also available from the distributor.

To Use -

USE DILUTION: 2-4 ounces per 25 lbs. of dry cloth. DO NOT MIX WITH ANYTHING BUT WATER. Use 2-4 ounces of product per 25 lbs. of dry cloth in last rinse at 100°-120°F with or without sour. Pre-mix in about a gallon of warm water for fast application in commercial type wash wheels. Run cycle for 5 minutes.

See label for complete directions and use only as directed.
