

**REN05653-US**

# LAUNDRY SPOTTER

This product will do an outstanding job on most stains and fabrics. Applied directly to the stain or spot, this product works immediately to penetrate the fibers, solubilize soils, and prevent redeposition. This product, being a blend of solvents, wetting agents and anti-stain components, eliminates the need for several types of spotters. It aids overall detergent ability — a bonus for all laundry operations.

**Features:**

- Ready-to-use formula
- Solvent based
- Contains surfactants
- Flip-top caps

**Related Benefits:**

- No mixing of chemicals
- Helps break down petroleum based soil
- Penetrates fabric and lifts out soils
- Easy application

**Important:**

Read and understand the label and Material Safety Data Sheet (MSDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The MSDS is provided with each container shipped. It is also available from the distributor.

**To Use:**

**USE DILUTION:** Full strength. **DO NOT MIX WITH ANYTHING BUT WATER.** 1. Pre-test product on all your fabrics to assure it will not damage cloth. 2. Segregate spotted pieces of laundry. 3. Apply full strength to spots or stains. 4. Briefly rub fabric to insure complete contact. 5. Wash in normal fashion. 6. Check spots when pulling laundry. Never dry or iron cloth with spots or stains as this “sets” the discoloration.

See label for complete directions and use only as directed.

SPECIFICATION DATA	
Available Sizes:	12/1 qt.
Physical State:	Liquid
Color:	Colorless
Fragrance:	None
Specific Gravity:	1.043
pH (undiluted):	> 13.0
Phosphorus:	0.00%
