## CONTROLLED-USE BATH TISSUE

### Features:

- Green Seal certified
- Consumer-like premium floral embossing pattern
- Ideal for government facilities that have mandates to be green
- Patented OptiCore<sup>®</sup> technology offers less waste and cost savings

### Description:

This two-ply Renown Green Seal-certified controlled-use tissue features OptiCore<sup>®</sup> two-part core technology. This Renown tissue when combined with the coordinating 3-Roll and 2-Roll dispensing systems, ensures maximum use of each roll in the dispenser thereby reducing waste and cost. The two-part core offers more than a 25% reduction in core material for more environmentally preferable packaging. This quality tissue is 100% recycled and exceeds EPA guidelines for post-consumer waste. This embossed tissue is made with de-inking and bleaching processes free of chlorine and other harmful chemicals. This high-capacity Renown tissue is designed for those seeking to achieve green status for their facility and purchase tissue produced with methods less harmful to the environment.
