REN06180-WB
(281719)
REN06182-WB
(281721)

Features:

- Green Seal certified
- Made with a de-inking process free of chlorine and other harmful chemicals
- Quality extended length roll towel features pebble embossing
- Designed for the environmentally conscious

Description:

These Renown Green Seal-certified controlled roll towels satisfy those seeking to achieve green status for their facility and purchase toweling produced with methods less harmful to the environment. This roll towel is 100% recycled and contains a minimum of 50% post-consumer waste, which exceeds EPA guidelines. This quality roll towel is high-capacity and ideal for schools, universities, stadiums, and other high-traffic areas. Using paper towels promotes cleanliness and helps to prevent cross contamination of germs. The CDC recommends washing hands thoroughly and drying hands with a paper towel. This is particularly important in heavy traffic areas.
