

CONTROLLED USE - WHITE CAPACITY ROLL TOWEL

REN06181-WB
(281720)
REN06183-WB
(281722)

Features:

- Green Seal certified
- High-capacity to reduce washroom run out
- Exceptional brightness & absorbency
- Attractive "leaf" embossing

Description:

Renown Select Green Seal-certified embossed roll towels have extended length for those high-traffic areas such as airports and stadiums. Using paper towels to dry hands can help reduce the risk of cross contamination. This is particularly important in heavy flow areas. Towels feature a consumer-like "leaf" embossing pattern for exceptional absorbency, and provide a premium solution for your facilities that are concerned about their image and the environment. Renown Select roll towels are 100% recycled and contain a minimum of 50% post-consumer waste content.
