LOW SPEED FLOOR MACHINE

Description:

Renown floor machines are designed to stand up to the toughest environments. The machine base is powder coated aluminum and carries a full 5-year warranty. The switch housings and levers are manufactured from cast aluminum and also carry a 5-year warranty. The low profile design increases visibility and allows for ease of use around furniture and tight applications. The compression handle lock makes operator adjustments simple. The gear box is constructed of all steel, and utilizes triple-planetary gears which allow for smooth operation when screening floors, scrubbing concrete or bonnet cleaning carpet. The motor is a heavy-duty 66-frame, and is rated at 1.5 HP.

SPECIFICATIONS	
Pad Speed:	175 RPM
