(883077)
REN08016-VP**

Description:

The Renown 3 speed carpet dryer is a perfect choice for any type of carpet or floor drying situation. The low speed is designed for use in areas such as offices where paper and other items might be affected. The unit can be switched to medium speed for drying areas that are under constant foot traffic. Use the highest speed for rapid drying of an area that is unoccupied. Available with or without a handle.
